Dear Sir:

In response to the Office Action dated July 9, 2003, please amend the above-identified patent  
application as follows:

IN THE CLAIMS:

Claims 1-50 (Canceled).

Q<sub>1</sub> 51. (New) An expandable intraluminal graft for use within a body passageway including  
a body member, a intermediate compound, and at least one biological agent coated on at least a  
portion of the body member, said body member having first and second ends and a wall surface
